For the attention of The Company Secretary

Dear Sir

**The Environmental Protection Act 1990, The Environment Act 1995
The Waste Management Licensing (Fees And Charges) Scheme 2003/2004**

Issue of a New Waste Management Licence

Waste Management Licence Number: EAWML/54461

Date of Issue: 26/05/2006

Issued To: Waste Management Group Ltd

**For the Site At: 45/49 Rough Hey Rough Hey Road Industrial Estate Grimsargh
Preston Lancashire PR2 5AR**

I refer to your application for a Waste Management Licence, and now enclose your licence.

There is a right of appeal against the decision of the Environment Agency in respect of the conditions of your licence. The contact for such appeals is The Planning Inspectorate, Room 4/12 Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel No 0117 372 8812, Fax 0117 372 6093).

The annual subsistence charge for this licence will apply from the date of issue, and you will receive an invoice for payment in the near future. I must emphasise that the validity of your licence is dependent upon paying your fees promptly on receipt of the Agency's invoice. Further subsistence invoices will be sent to you in April each year for as long as the licence remains in existence. Failure to pay or a delay in paying may result in revocation of your licence. Continuation of the Waste Management activities under such circumstances would constitute a criminal offence.

The licence will remain effective unless and until it is either revoked by the Agency or is surrendered. The licence may only be surrendered if the Environment Agency accepts the surrender following an application under Section 39 of the Environmental Protection Act 1990. The Agency will only accept the surrender if it is satisfied that the condition of the land is unlikely to cause pollution of the environment or harm to human health so far as the condition is a result of the waste being treated, kept or disposed of on the land. A fee is payable.

If you want to transfer your licence, you must make an application jointly with the person you propose to transfer it to under Section 40 of the Environmental Protection Act 1990. A fee is payable. The Agency will only accept the transfer if it is satisfied that the person to whom you wish to transfer the licence is a fit and proper person to hold the licence.

You may apply under Section 37 of the Environmental Protection Act 1990 at any time to modify the conditions of your licence. A fee is payable. The Agency may modify the conditions at any time to any extent it considers desirable and which is unlikely to require unreasonable expense on your part.

Please complete and return the Waste Management Licence Acknowledgement Form within 14 days of receipt in the envelope provided.

I trust this letter clarifies the position with regard to the legislative requirements.

Please note that the issue of this licence does not imply that other statutory requirements, e.g. those of the local Planning Authority, have been met.

If you need any further information please contact either myself at chrisy.yates@environment-agency.gov.uk.

Yours faithfully
